

New Guidance for Weight-room and gym use for Community members.

1. Need to sign a Gettysburg School District Covid-19 waiver.
2. Need to self-monitor/temperature screen upon entrance, and answer screening questions. If you have any symptoms, stay home.
3. Must sign in and out with times.
4. Must disinfect every weight/machine/equipment that you use when done with each piece. If you are going to shoot basketball, you will need to bring your own ball.
5. Water fountains are off limits, so bring your own water bottles.
6. Adult supervision or coaches are required when student-athletes want to use the facilities
7. Must be verified by administration or Athletic Director for acceptable use, or your key fob will not be activated
8. There will be a schedule posted in the entrance of when coaches will be working with athletes in the building. When our student-athletes are working with coaches, the facilities will be off-limits to community use.
9. Days and times that are scheduled for student-use are Monday, Tuesday, and Thursday mornings from 6:00-7:15 AM. Other times will be added, and a schedule will be posted in the entrance.

These guidelines cannot cover all instances, so administration has the authority to make necessary adjustments to the guidelines.

Covid-19 conditions can and probably will change, thus the administration has the authority to close the facilities.
